Dear Steve

**Re: Champion Hill – a Community Stadium for All: Final Report**

Please find enclosed a copy of the above Report, produced by Dulwich Hamlet Supporters' Trust (DHST), which I hope you will be able to respond positively to. The Report has been sent out to other parties who have responded to our consultation document and who are interested in the future of the club all stakeholders in the club, including Southwark Council, Kings College London, the Football Committee, the Secretary of State and members of DHST.

The Report maps out a way forward for Dulwich Hamlet football club following the refusal to grant planning permission for the Homebase planning proposal on land adjoining Edgar Kail Way and Greendales. Endorsed by Secretary of State, Tessa Jowell MP, a member of DHST, the Report presents 11 recommendations that if fully implemented will revitalise the Greendales area, ensure first class leisure facilities for the local community and schools and create a management structure that will effectively manage the facilities according to the highest standards of service.

I would be happy to discuss any aspect of the Report further and so if you wish to contact me please feel free to use any of the above contact details.

I have also enclosed a copy of our application form and further information about DHST for your information.

Yours sincerely

Michael O'Shaughnessy  
Chair
