- 3.2. No members of the Society Board whose positions are due to be offered for election shall play any part in determining the composition of the EMG or any aspect regarding the conduct of the elections.
- 3.3. Members of the EMG shall not be eligible to nominate candidates nor be a candidate themselves and shall have proper regard to maintaining the integrity of the election process. The Board shall agree the number of vacancies to be elected (which must comprise at least one third of the elected Board).
- 3.4. During the Election Period the EMG will ensure that the election is run in accordance with this policy.
- 3.5. The EMG shall make the final decision as to the eligibility of candidates, nominations and valid votes. If it is not possible to appoint an Independent Returning Officer, the EMG shall conduct the count and the result, as determined by them is final. Any decisions taken will be by majority vote and recorded. The Chair of the EMG shall have a casting vote in the event of a tie.

4. Timetable

- 4.1. The AGM will take place within the period laid down in the Society’s Rules, and the exact date shall be decided by the Society Board by the end of the preceding financial year.
- 4.2. The Board shall agree the number of vacancies to be elected; if the numbers to be elected differs from the numbers elected in previous years, or changes the number of places to be elected in total on the Society Board, then the reasons why the change has been made shall be communicated to members in the form soliciting nominations.
- 4.3. The Secretary will circulate a nomination form with advance notice of the AGM at least six weeks before the AGM.
- 4.4. The Society Board shall ensure that the membership of the EMG has been agreed by the Society Board before the Secretary circulates nominations forms.

5. Nominations and eligibility

- 5.1. Any person wishing to be a candidate for election to the Society Board must be a fully paid-up member of the Society and be nominated by at least two fully paid-up members of the Society.
- 5.2. The EMG will verify that nominations are from members of the Society. Society members can nominate as many candidates as they wish.
- 5.3. A signed letter of nomination from a member, or email from the address a member has given the Secretary for receiving Society communications, are acceptable substitutes for a signature on the candidate's nomination form.
- 5.4. It is the candidate's responsibility to ensure that their nomination is valid and submitted in accordance with the election timetable. In order to ensure that candidates can confirm the validity of their nominees, the EMG and Secretary should arrange for candidates to be able to check in advance whether those nominating them are fully paid-up members. This shall not include checking the whole database of members.
- 5.5. Decisions over the validity of nominations shall be a matter for the EMG having due regard for the Secretary's assessment of the membership status of an individual nominating a candidate. Any decision by the EMG not to accept a nomination as valid should be notified to the candidate as soon as possible in order that the situation may be rectified or an appeal heard.
- 5.6. Candidates must also submit a statement in support of their nomination and may also submit a photograph for publication with their statement (see section 6 below for more details).

- 5.9. Specifically, candidates are also self-certifying that they comply with the Society Rules and Board Membership and Conduct Policy relating to eligibility to serve on the Board. In particular, no person can be a member of the Society Board:
 - (with the exception of Co-opted Members co-opted onto the Society Board under Rule 56 of the Rules) who ceases to be a Member of the Society;

- 6.2. All candidates' statements are to be sent by email to the relevant members of the EMG. These will be gathered together and issued with the ballot papers, and include the photograph (if submitted) of the candidate and a list of the members who have nominated them.
- 6.3. Candidate statements should be no longer than 600 words. If a candidate's statement has more 600 words, it will be truncated and text will be inserted below stating "The candidate's statement has exceeded the permitted amount and has therefore been truncated". The number of words counted shall be decided using Microsoft Word.
- 6.4. Candidates shall not in their statements make threats, insults or derogatory, abusive, racist, sexist or homophobic statements. The EMG will reserve the right to edit any statement to ensure that it does not breach these rules.
- 6.5. In agreeing to be nominated and so accepting this Policy, candidates shall agree to indemnify the Society for the cost of meeting any liability of the Society that may arise as a result of the contents of their statement.
- 6.6. During the election neither the EMG nor the Society Board may provide advice to voting members as to the suitability of any candidate nor issue any voting advice to members collectively. Individual Society board members who indicate a preference in public must make it clear that they do not speak on behalf of the Society board and express a purely personal opinion.

7. Appeals

- 7.1. Candidates or complainants shall raise matters with the EMG whose decision is final.
- 7.2. Complaints after voting has closed shall be made to the EMG not later than three working days after the close of poll. Any complaint received after this date shall be ruled out of order.
- 7.3. If any candidate should contravene the Election Policy, the EMG shall judge whether a disqualification should apply and their decision is final.
- 7.4. Any appeal against the decision of the EMG shall be made through and governed by the disputes procedure as set out in the Society Rules.

- 8.3. The highest placed candidates in terms of total votes as equal to number of places available for election declared by the Board shall be deemed elected. If the same number of votes are received by those with the lowest qualifying votes for the Board election, the winner will be drawn by lots if the candidates cannot decide amongst themselves who should sit on the Board.
- 8.4. If there are as many or fewer candidates than there are places, all validly nominated candidates shall be deemed elected by the EMG and this declared at the AGM.
- 8.5. The result shall be communicated to members on the Society's website and in the Society's newsletter (if they have one) and at the AGM or next members' meeting.
- 8.6. Successful candidates shall become full members of the Society Board upon receipt of their signed acceptance of the Board Membership and Conduct Policy.
- 8.7. The Society Secretary will issue the Board Membership and Conduct Policy to the successful candidates upon the result of the election and should any successful candidate not return the Board Membership and Conduct Policy duly signed in whichever way the Secretary asks for it to be returned within one calendar month, without an acceptable reason for the lateness in returning the document, the election of that candidate will be declared null and void and a vacant position will be created. For the avoidance of doubt, the onus for returning the signed Board Membership and Conduct Policy shall be on the successful candidate not the Society Secretary.
